**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In a capatilistic country, we have the right to choose a competitive internet and telephone provider. We have the right to more competition, not price hikes caused by one or two dominate players in marketplace.

Broadband is critical to our home, and expect to have the option of upgrading to fiber if needed at a future point in time.
